JUST KIDS OFFERS MONTHLY EFT AND CREDIT CARD DEDUCTIONS

Just Kids is pleased to offer monthly payment options with credit cards and automatic deductions from your bank account. We can deduct your tuition through your checking, savings account or credit card. We provide these options as a service to you, for convenience and ease.

EZ-EFT deductions can be authorized for regular monthly payment. The procedures outlined below are in place to insure the security of your funds and accuracy of the deductions.

DEDUCTION PROCEDURES :

1. Complete a EZ-EFT authorization form with your registration or check the option for automatic deduction on the payment page when you register on-line.
2. Credit Card / EFT deductions are routinely processed on the 15th each month for the balance in your account as determined by Just Kids.

PLEASE NOTE . . .

- **Please keep us updated as to any changes in your account or credit card *in writing*.** If incorrect, your deduction will be rejected by the banking or credit institution. This will result in a \$20.00 NSF fee, and possibly a \$25.00 late fee.

OTHER OPTION: CLICK TO PAY

We also offer a convenient way to pay your tuition through email called “**Click To Pay**”. You can pay via credit card or bank account on-line. We email you an invoice with the link to pay on a secure site at your convenience.

Here how it works:

- If you have a balance due in your account on the 15th of the month, a Click To Pay invoice will automatically be emailed to you, if we have your e-mail address.
- Call or email the Just Kids Office and indicate you want to pay your monthly tuition with Click To Pay.
We email you a Click To Pay invoice.
You open the attachment; click "pay bill online" and follow instructions.
- Just remember that if you need to pay this way again, to call or email us as the link expires.

EZ-EFT Authorization Form

This simple authorization form allows us to bill your financial institution on the due date. There is no need for you to write checks, remember to mail them, or worry about late fees. Your record of payment will be listed each month on your statement and will be deducted only on the 15th of each month.

Getting started is easy. Simply complete the authorization form included here. Attach a voided check to the form if you are using your checking account and return it to: **Just Kids, PO Box 668, Atco, NJ 08004. You can also fax the form to: 856-753-5884. This authorization is only good for the current school year.**

Please know that you are responsible to keep your information updated. If your account or credit card changes, you must notify us in writing (email or fax) of the new information. If your electronic payment is returned for any reason, we will charge your account a \$20 NSF fee.

What about security? The service uses the Federal Reserve's electronic payment network used by financial institutions nationwide, so it is absolutely secure. Consumer safeguard regulations for electronic payments are even more stringent than when you write a check.

Are you considering the Flex schedule? Don't know if it is for you?

The Flex Tickets can seem to be a cheaper way to utilize the JUST KIDS program but this is not always so. We were hoping to give you a price comparison to make your decision a little easier.

Flex Tickets are charged \$25.00 per day whether you use the AM, PM or both the AM and the PM on the same day of care. Tickets are sold in books of 5 at \$125.00 and must be paid for in advance. Flex tickets are intended for minimal use. If you are using flex tickets more than 10 times in a month this may not be the schedule for you.

For you to figure out the cost of tickets versus the cost of a monthly tuition:

MULTIPLY THE NUMBER OF DAYS PER MONTH YOU NEED THE SERVICE x \$25.00 = YOUR MONTHLY COST FOR TICKETS.

COMPARE THIS TO OUR MONTHLY TUITION FOR YOUR PROGRAM FOR EITHER AM, PM, OR AM/PM BASED UPON WHEN YOU NEED CARE.

Ex. I need two mornings per week.

8 mornings per month x \$25 = \$200.00

\$200.00 is more expensive per month than the monthly tuition of \$141.00.

Therefore it is cheaper to enroll for the month and not use the flex tickets.

Also be reminded tickets are only good if handed into the program on the date of service. Providers have been instructed not to accept tickets after date of service. If you attend the program without a ticket you will be charged \$33.00 Drop-in fee for that date of attendance.
