Just Kids has over **30 years of experience** serving school age children and their families. We are excited to be offering summer camp in the Waterford School District!

Who can attend?

Any child who will be **entering kindergarten to sixth grade** in September of 2023.

Where is the camp located?

We operate in the **Avon Elementary School in the All-Purpose Room**. Although this is our home base, we are out of the building and in the community regularly.

What are the hours?

Camp opens each day at 7:00am and ends each day by 6:00pm. We ask that you drop off between 7:00am and 9:00am and pick up no earlier than 4 pm. Special arrangements can be made if you have an appointment etc. The schedule will have the students out of the building so we can not guarantee that a student will be at the Waterford School building after 9 am or before 4 pm.

What is the cost of camp?

Five days per week - \$315/week

Four days per week- Afternoon only for Extended School Year (ESY) – (12pm – 6pm) - \$200/week
Child(ren) must be enrolled in ESY Program.

****Free extended care!**

****No additional fieldtrip or activity fees!**

**Free Registration for students enrolled in Just Kids during the 2022-2023 school year!
No additional activity fees!**

Can I enroll for only one week?

You can enroll for any number of weeks, but must register by the week. We **do not** have a daily rate.

How many children will be at camp?

We are limiting the enrollment to 45 campers per day. Spaces are limited and will be filled on a first come first serve basis. Completed registration forms and deposit must be received to hold a space.

Who will be staffing the camp?

The camp staff are **mature** Just Kids childcare providers that have experience in our before and after-school programs! These staff are trained in CPR/First Aid and have over 40 hours yearly of routine training in school-age childcare. The staffing ratio will be under 1:15 with more than two staff for the core camp hours.

What will the students be doing at camp?

Students will be engaged in a variety of on-site and off- site activities using community resources.

These resources include:

- Visiting artists and resources (ScienceTellers, nature specialists, dance instructor)
- Community Field trips (Johnson's Farm, Philadelphia Zoo)
- Archway Programs pool – once per week
