

**EZ-EFT Authorization Form
Camp Just Kids**

This simple authorization form allows us to bill your financial institution for camp tuition. There is no need for you to write checks, remember to mail them, or worry about late fees. **We are requiring that your weekly tuition be deducted automatically through this system. Your weekly balance will be automatically deducted on the Tuesday prior to the week of camp your child will attend.** You may also utilize this process to pay your non-refundable deposit or the tuition in full. Just check the box noted below, if this is what you are requesting.

You maintain control by designating the account you wish your tuition to be deducted from. You can choose a bank account or credit account. Complete this EFT form and return it to Just Kids as part of your camp registration.

Please know that you are responsible to keep your information updated. If your account or credit card changes, you must notify us in writing (email or fax) of the new information. If your electronic payment is returned for any reason, we will charge your account a \$20 NSF fee.

What about security? The service uses the Federal Reserve's electronic payment network used by financial institutions nationwide, so it is absolutely secure. Consumer safeguard regulations for electronic payments are even more stringent than when you write a check.
